A MESSAGE TO THE CLASS OF '58

Soon you will leave Oglethorpe University bearing a diploma sought by many, but received by a few. The memory of the campus may wane, but the warm, friendly spirit found here will remain with you always. We hope you will return for frequent visits to rekindle this school spirit, to keep in touch with your classmates.

As an Oglethorpe graduate you will have received the finest undergraduate education obtainable—for a purpose. You have an obligation to yourselves and to society to apply your attained skills, understanding and ethical values to improve the lot of mankind.

You are not alone in this task. More than five thousand alumni who have preceded you share this responsibility for bettering the social process. They make themselves available to you should you need them.

We congratulate you for your academic achievement and welcome you to the swelling ranks of the National Alumni Association of Oglethorpe University.
